

Partnership * Collaboration * Impact

BSBF - BOLD HDA Ambassador Initiative

Purpose:

Support oral health outreach while inspiring the next generation of dental professionals. The Colgate Bright Smiles, Bright Futures® Mobile Dental Van provides oral health education and screenings for children up to age 12 while our HDA team welcomes participants to explore oral health as a career option.

1

Bright Smiles, Bright Futures®

- Screenings for children up to age 12
- Oral health education
- Interacting games
- Friendly and colorful space
- Educational material, toothbrushes for participating children
